Your collective health insurance by Aevitae

Dear partner,

The healthcare season is approaching, and soon everyone will once again have to consider the question: which health insurance best suits me and my (family) situation?

Your employees have an extra attractive option with the collective health insurance arranged by you. And that's good news for both your employees and your company, because a collective health insurance plan from Aevitae offers many benefits.

In this presentation, you will find a brief overview of the campaign and the available resources, with which we hope to convince as many colleagues as possible to take out the great collective health insurance you've arranged for them.

Kind regards,

Aevitae

E-mail 2: Take out our collective health insurance

Subject: Take out collective health insurance

Hi colleague,

Are you still considering joining our collective health insurance? Don't wait too long! You have until December 31 to switch. In our previous email, you can read all about the details that might help convince you to choose our collective health insurance.

[Discover our collective health insurance here](#)

Switching has never been easier

With the free switching service, signing up for the group health insurance is quick and easy. This means that Aevitae will cancel your current health insurance, and you won't have to do anything. So, check out which plan suits you best and calculate your premium right away.

More benefits with our collective health insurance and extras

With our collective health insurance, you not only get a discount on supplementary and dental insurance, but you'll also enjoy even more exclusive customer benefits in 2025, like Sporten met Korting (discounted sports memberships) and discounts on healthy extra's such as meal boxes from Frecious and HelloFresh.

About Aevitae

Aevitae is a service provider that offers tailored advice, practical support, and insurances in the areas of corporate care, income protection and collective health insurance.

We believe that we can truly help with the issues that keep you up at night, by going the extra mile.

Since entrepreneurship is also in our own DNA, we understand how important your people are to you. Our services are not a standard package with standard procedures and contact moments. We listen, think along, combine solutions, and make the necessary connections to relieve employers of their worries and help their employees. Aevitae has been doing this with appropriate pride for over 50 years.

Thank you!
